

## **PRESS RELEASE**

# **Premier Grand Prix**

***'Will you be ready?'***

The Adelaide Superkart Club is currently drawing up preliminary plans to, once again, present Australia's Premier Superkarting Event,

## **THE 2010 AUSTRALIAN SUPERKART GRAND PRIX**

The 46th running of the event will be held on Sunday, 7th November, at Mallala Motorsport Park and is the largest 'All Classes' Gearbox and Non Gearbox, Superkarting event on the 2010 race calendar.

The ASC Grand Prix Committee is hoping to surpass the excitement and success of the 2009 event which was described by veteran drivers as "one of the best Superkarting events that they had ever attended".

The Committee envisages that the event will be backed by radio advertising via a top rated station and local newspaper adverts. Prizemoney, prizes, trophies and commemorative medallions will be made available for both Gearbox and Non Gearbox Classes\*.

The club has already received extremely enthusiastic support from local sponsors including. Modbury Press, Northern Stationery Centre, Westech IT Solutions, Lofty Coaches, Ian Williams Tuning, Gawler & Barossa Landscape Services and local drivers.

The ASC is endeavouring to make the 2010 Grand Prix the most affordable event on the Australian Superkart calendar and further sponsorship is being sourced to assist with minimising the cost to competitors. The club is hoping for 'huge entry numbers' from interstate drivers to assist in it's quest to make the GP, the biggest and best ever.

Personalised GP Invitations will be posted to all CAMS Licenced Superkarters in Australia prior to the event, but any indication of support from interstate drivers/clubs would be most appreciated.

Send a smoke signal, an email or just get the word back to us. Your positive response can only encourage the Grand Prix Committee to try harder to make the event one that you will never forget.
